Amy Long

FRONT-END DEVELOPER

21 SADDLERS HALL, HILLSBOROUGH, BT26 6TH

AMYLONG.TECH

EXPERIENCE

PLACEMENT STUDENT • PSNI • 09/18 - 08/19
• Developed web-based e-learning packages (with full design direction).
• Managed content on a Learning Management System via a CMS.
• Administrated a secure internal video player.
• Assisted with technology-based queries from other departments.

INTERN • SANTANDER• 06/15 - 08/15
• Worked with the IT department to analyse call data and create visual representations.
• Assisted with general maintenance of IT hardware and software.

PROJECT EXAMPLES

FINAL YEAR MAJOR PROJECT • 09/19 - 06/20
Designed and built a web application 'Itinerator' that generates an itinerary for a user based on their activity and cuisine preferences & destination, facilitates user account capabilities, and instant messaging functionality (using Pusher API).

Built using **MySQL, Laravel, jQuery, Vue,** and **Bootstrap** for styling.

NEWS SITE • 2020
Built a news source single page application pulling data from The Guardian API. Facilitates online and offline searching using Local Storage; sorting by category; dynamic loading of content, and use of OpenWeatherMap API displays weather data for default city (Belfast) or user can search for another city.

Built using **JavaScript/jQuery** - **AJAX** to retrieve **JSON** data, **Bootstrap** for styling.

ICON DESIGN • 19 - PRESENT
Providing freelance icon design services. Ongoing support for icon and promotional material design (business cards, flyers, posters etc.) for a client over several years.

Designed several concepts for a client and worked with them to settle on a final design, incorporating their brand identity into the look and feel of the final product.

Icons developed using **Adobe Illustrator.**

REFERENCES AVAILABLE UPON REQUEST.
